RESEARCH INTERESTS

Humans have an intricate and complex relationship with the environment and it is my overarching aim to better understand this link in order to responsibly govern the environment in light of human activity. To this end, I am interested in community participation and engagement in environmental decision-making scenarios, the use of environmental science in the policy process, and the ethical and cultural consideration of environmental problems.

EDUCATION

PhD Philosophy (in process)

Michigan State University • East Lansing, MI • GPA: 3.91/4.00 (expected graduation, May 2021)

Advisor – Dr. Paul Thompson

MPA *summa cum laude* – Environmental, Natural Resource, and Energy Policy Administration

Boise State University • Boise, ID • GPA: 3.97/4.00 (expected graduation, May 2016)

Advisor – Dr. Jen Schneider

BA *magna cum laude* – Philosophy

Boise State University • Boise, ID • GPA: 3.79/4.00 (May 2014)

Advisor – Dr. Stephen Crowley

AA – Liberal Arts

College of Western Idaho • Nampa, ID • GPA: 3.89/4.00 (May 2012)

ACADEMIC AND PROFESSIONAL POSITIONS

Instructor of Record • Philosophy 130, Logic and Reasoning • Michigan State University • East Lansing, MI

Fall semester, 2018; 52 students

Research Assistant • Michigan State University • East Lansing, MI (2017-present)

Sustainable Michigan Endowed Project Scholar • Michigan State University • East Lansing, MI (2016 – present)

University Distinguished Fellow • Michigan State University • East Lansing, MI (2016 – present)

Graduate Assistant • Public Policy Research Center • Boise State University • Boise, ID (2014 – present)

EPSCoR – MILES (Managing Idaho's Landscapes for Ecosystem Services) grant

Lab Manager • Philosophy Department • Boise State University • Boise, ID (2012 – 2014)

Lab Assistant • Physics Department • Boise State University • Boise, ID (2012 – 2013)

Owner/Operator • Compass Design LLC • Boise, ID (2011 – present)

Project Solutions Manager • Franklin Building Supply • Boise, ID (2004 – 2011)

Presented at Annual Meeting of the Boise State University Undergraduate Research Conference; 2014, Apr 21; Boise, ID.

Talley, J. L., Brasil, K., Couture, S., Hayes, K. R., Lindgren, D., Lynch, A., Stevens, L., Beach, P., Crowley, S., McAdams, K. K. The truth about honesty: An analysis of the trait of honesty. Presented at Annual Meeting of the Boise State University Undergraduate Research Conference; 2014, Apr 21; Boise, ID.

HONORS AND AWARDS

2018 Philosophy Summer Support Fellowship • *Recipient* [\$?]

2018 Engaged Philosophy Internship Program • *Recipient* [\$10,000]

Michigan State University Distinguished Fellowship • *Fellow, 2016-2021* [\$140,000]

Sustainable Michigan Endowment Program • *Scholar, 2016-2017* [\$25,000]

Carl Burke Scholarship for Public Administration and Policy • *Recipient* [\$1,000]

2016 Western Social Science Association Best Student Paper Award • *Recipient* [\$800]

Society of Outdoor Recreation Professionals Scholarship • *Recipient* [\$500]

Boise State University Student Research Program Travel Award • *Recipient* [\$500]

NOTABLE ACTIVITIES AND SERVICE

Michigan State University College of Arts and Letters College Advisory Committee • *Graduate Representative*

20th Annual Michigan State University Undergraduate Research & Arts Forum • *Volunteer Evaluator*

Michigan State University Department of Philosophy Academic Policy Committee • *Graduate Representative*

Public Lands Foundation 3rd Biennial Student Congress on Public Lands • *Congress Member*

State of Idaho Parks & Recreation Comprehensive Recreational Planning • *Steering Committee Member*

Boise State University Library Promotion and Tenure Committee • *Student Representative*

Human-Environment Systems Faculty Hire Committee • *Student Ambassador*

Strive for College • *Volunteer Mentor*

Boy Scouts of America • *Eagle Scout*

SKILLS AND INTERESTS

Proficient communication with all levels of organization • Leadership and management • Developing, managing, and directing interdisciplinary team efforts • Critical thinking and problem solving • Qualitative and quantitative research design and data analysis • Advanced MS Office: Excel, Word, Powerpoint, Outlook • Other softwares: SPSS, NVivo, Qualtrics • Customer relations and dispute resolution • Self-motivated and directed • Time management and prioritization • Avid wilderness backpacker and river floater • Wood-burning and etched glass art
